### Closing Work Party

On October 26th we have the closing work party. We usually start at 9:00am and I anticipate seeing a lot of you there. In addition to bringing in the docks, we need to do a general cleanup of the yard, store picnic tables and chairs inside and haul out the committee boat and winterize it.

### WSA Closing

The club officially closes for the season on Saturday November 30. All boats (including dinghies) and trailers must be removed. You also must remove your oars, sails and gas cans.

### Rules and Bylaws

At the Fall, 2012 Banquet, the Executive Committee voted to review the WSA general rules. The 1/28/13 draft Rules and Regulations as well as the Bylaws are posted on our website ([www.wsasail.org](http://www.wsasail.org)) for your inspection. You may also pick up copies at The Anchorage.

### 2013 Season in a Nutshell

The Spring Banquet at Point Breeze was well attended and the discussions were lively. Next came the opening work party which had to be postponed a week due to ice. The following week, many of you showed up for the work party

and a lot was accomplished in a short amount of time. A new ceiling was installed in the clubhouse thanks to John Colby.

Boats were slow to show up for the new season, but there seemed to be more people at the club every weekend...a good sign.

In preparation for Family Day, John Colby replaced a post holding the porch roof up, fixed the opening in the clubhouse where we had removed two windows and in doing so, moved the counter into a better position. Family Day is always a fun event and this year we had a great group of people attend. Tom Pezzella gave lake tours in his own boat which I am sure is more comfortable than our committee boat.

The last big event of the season was the Fall Banquet and Business Meeting. The pot luck supper was a huge success with many people bringing delicious dishes in addition to the club supplying hot dogs and hamburgers. Awards were handed out after the business meeting.

Now we are into the fall sailing season, which can be the best of the year. Comfortable temperatures, good winds and less motorboat traffic make for a great day on Webster Lake.

### Committees

At this year's meeting, we approved some changes in the committee structure. The Membership Committee and Participation Committee have been eliminated and a new committee, Communications Committee, created. The remaining committees remain the same. We will need a new Program Committee chairman...someone willing to take on the challenge of building a new committee, creating next year's schedule, finding members willing to manage next year's events and to come up with

new events to enhance the WSA membership experience. Contact Tom Pezzella or Roger Livingston if interested.

## Membership

### New Members

We have five members who have joined WSA since our last issue. *Jibs and Jibes* would like to welcome new members:

Gary and Sue Wolpert

Tim Brown

Tim Loomis

John Farland

Matt Butler

## Racing

### The Season

I think this is the first time in many years, we had a good number of boats show up for the races every weekend. Although the weather didn't always cooperate, we only had to cancel a couple of races due to lack of wind. The competition was fierce with races won and lost by a fraction of a second.
